### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Claims 1-3, 6-8, 11-13, 16-18, 21-23, 26-28, 31-33, and 36-38 are allowable. The claims are allowable over the prior art, particularly Lee (US 6,467,098), because Lee is lacking the teaching of a circumferential flange provided on the outer circumferential area surrounding a front surface of the frame body such that the flange abuts against a front face side of the frame body and an outer circumferential lens area abutting against the resilient frame member and engaging with the rigid frame member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Katherine Moran whose telephone number is 571-272-4990. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gary Welch can be reached on 571-272-4996. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
